Bonni Howard testifies.

Discussion is held with counsel and both parties regarding the current parenting schedule and each parties' salaries. Father earns \$98,000.00 per year (base salary) and Mother earns \$48,000.00 per year. Father pays medical/dental/vision insurance of \$77.00 per month. Father pays child care directly to the childcare provider. Mother pays \$300.00 per month for the Boys and Girls club fee. IT IS ORDERED that Father no longer pay \$300.00 per month for the Boys and Girls club fee.

As to the issue of Attorney's Fees, there is a disparity of income. The Court believes, if it decides to do so; the disparity of income would be a justification for doing that. There has been testimony and evidence before the Court of extra effort and time that Petitioner's attorney has spent on this matter with respect to discovery issues.

As to the summer schedule, IT IS ORDERED that both parties have a split parenting time during the summer; week on then week off with each party having the 10 day or two week time. The Court is allowing each party their choice of which two week plot they want, initially. This choice will be in writing and provided to Mother no later than April 1st of each year. This year
